Online Event on the French-German joint-call for proposals on Artificial intelligence

November, 17th from 9AM and from 2PM

The French Ministry of Higher Education, Research and Innovation (MESRI), the German Federal Ministry of Education and Research (BMBF), the ANR (French National Agency for Research), the DLR-PT (DLR Project Management Agency) and the office for Science and Technology of the French Embassy in Germany invites you to participate to an online event regarding the French-German Call on Artificial Intelligence.

This call is the result of the cooperation between the MESRI and the BMBF following the signature of the Aachen Treaty (French-German cooperation treaty). The goal is to anchor and strengthen the cooperation in the domain of research and digital change, in particular in the field of Artificial Intelligence.

The event will host two parts:

- 9AM First Part (via WebEx): **Presentation of the call and Q&A about the French-German joint-call**, organized by the BMBF.
Presentation by S. Canu (MESRI), A. Philipps (BMBF), F. Precioso, F. Lachat and M. Garnier (ANR), H. Stegermann and R. Mader (PT-DLR)

- 2PM Second Part (via Zoom): **Brokerage event** organized by the office for Science and Technology of the French Embassy in Germany

The aim of this brokerage event is to **offer a French-German networking experience to facilitate partnerships and to help creating your project's consortium**. During the event, you will have an opportunity to pitch ideas and expertise in front of a panel of researchers, SMEs and larger companies based in France and Germany.
